Four Winds IT

NETWORK ENGINEER | REMOTE | CONSULTING – NETWORKING | FULL-TIME

Four Winds IT is immediately hiring a Network Engineer. This position will be located in the Sarasota, FL area and remote. We offer a competitive salary and solid benefits package.

Who you are:

You are an eager, motivated professional, who is a self-starter with excellent communication skills to focus on initiatives as they relate to network infrastructure and execution. You possess solid interpersonal abilities and understand the importance of maintaining relationships with key contacts and decision-makers. Your ability to follow through allows you to independently execute both tactical and strategic initiatives. You are an excellent communicator with strong verbal skills to speak with executives as well as strong written skills. You would thrive in a role that requires you to work quickly and efficiently under minimal supervision.

Education and Experience:

High School diploma required. Bachelor's degree in the computer field is a plus. Minimum of 2 years' network management work experience. Computer hardware and server admin experience required. Technical skill requirements include Backup and Disaster Recovery, VMware vSphere, Hyper-V environment, Windows Server 2012, 2016, 2019 Exchange, Microsoft 365, Active Directory, Group Policy, Network Switches, IP addressing. Microsoft, CISCO, and Juniper certifications preferred.

Essential Job Functions:

- Strong customer service orientation, written and oral communication skills
- Ability to present ideas in user-friendly language
- Motivated to take on new technologies
- Able to effectively prioritize tasks in a high-pressure environment
- Proven experience and success with LAN | WAN design and implementation
- Strong, hands-on technical knowledge of network and PC operating systems
- Working technical knowledge of current network hardware, protocols, and networking standards
- Application support experience
- Able to conduct research into issues and develop solutions as required
- Proven analytical and problem-solving abilities
- Experience working in a team-oriented, collaborative environment
